Description

This side cover is most commonly used for (and not limited to) 50cc, 70cc, 90cc, 110cc and 125cc electric start horizontal motors (horizontal engines) with the starter located on top of the engine (called "top mount" or "upper" or "up" starters configurations). Most commonly used with 6-pole engine configurations (for 4 pole see part number 70A2000).
